

## A FOOT IN THE DOOR...

...a workshop from Hands-On Training

Saturday 9<sup>th</sup> November

**Explore the art of being a confident complementary therapist - demonstrated with a creative client-centred approach**

- 🌀 **Are you about to qualify as a therapist?**
- 🌀 **Have you already qualified but yet to start practicing?**
- 🌀 **Do you want to start practicing but not sure how best to kick start it?**
- 🌀 **Are you already practicing and want a refresher?**
- 🌀 **Do you want to develop your therapeutic toolkit and find out how best to do it?**
- 🌀 **Do you want advice and guidance on how to help generate business?**

*If you can answer yes to one or more of these questions, then this workshop is for you.*

*Facilitated by **Earle Abrahamson** and **Jennie Parke Matheson**, this workshop will help focus you on your path toward developing both your therapeutic skills and running a successful practice*

**Hands-On Training** has devised this unique workshop to help you better prepare for your working environment by:-

- 🌀 *Exploring the hidden skills necessary for success*
- 🌀 *Developing the complementary therapists toolkit*
- 🌀 *Dissecting knowledge and experiential skill sets into manageable components*
- 🌀 *Learning how to use those skills effectively – and consider where the skill gaps are*
- 🌀 *Finding out which courses are useful for further & future professional development*

*After coffee, the second part of the session focusses on:-*

- 🌀 *Your basic business requirements – both legal and practical*
- 🌀 *Your core marketing tools – with advice on what works and what doesn't*
- 🌀 *The support of social media, whether you're IT savvy or not*

**This workshop is a must for any student or new practitioner serious about a future in complementary medicine – or as a refresher for those already practicing**
